I think I have a pretty easy  
question...I hope. If I order  
a ASTM A105 flange I am  
ordering the material of the  
flange, correct? Now  
depending on what I'm  
designing to, either B31.3  
or Z662, I need to notify the  
vendor, correct? Z662 and  
B31.3 Flanges - Pipelines,  
Piping and Fluid ... -
