With Your Windows 7 HTPC ... - Very few frameworks, by their nature, let you turn themselves into your tool. I am by no means a very experienced framework user, but I have been through Wordpress, Django, Celery (Python), JQuery, RedMine, and some others, and have not to date been in a position where I could turn either of these into a tool I could really wield. Frameworks don't make any sense - good coders code, great ... -
